\*Job hours figures are estimates calculated using IMPLAN, an input-output model, based on HIT and subsidiary Building America project data. The data is current as of December 31, 2019.

This document provides information about a project or projects financed by the HIT which may or may not be reflective of other financed projects or refer to an asset currently held in the HIT's portfolio. Investors should consider the HIT's investment objectives, risks, charges, and expenses carefully before investing. This and other information is contained in HIT's prospectus, available at aflcio-hit.com or by calling 202-331-8055. The prospectus should be read carefully before investing.
