*Job and economic impact figures are estimates calculated using IMPLAN, an input-output model, based on HIT and HIT subsidiary Building America CDE, Inc. project data. Data is current as of July 31, 2020. Economic impact data is in 2019 dollars and all other figures are nominal.

This table provides information about projects financed by the HIT that were under construction as of the date of this report. The projects shown on this table may not reflect HIT's current portfolio for any or all of the following reasons: (i) the assets related to the project(s) shown on this table may no longer be held in the HIT's current portfolio; (ii) other assets in the HIT's current portfolio may have characteristics different from those shown on this table; and (iii) this table is not a complete list of all the projects financed by the HIT as of the date of this report. Investors should consider the HIT's investment objectives, risks, and charges and expenses carefully before investing. This and other information is contained in the HIT's current prospectus. To obtain a current prospectus, call the HIT at (202) 331-8055 or visit the HIT's website at www.aflcio-hit.com.
